Mare Island Dry Dock is a full service shipyard located in Vallejo, California. We provide dry docking and pier side vessel repairs, fabrications, maintenance, conversions and alterations. Our visiting ships include USCG, MARAD, MSC, ARMY as well as commercial entities.

Primary trade functions are maintenance, renewals and repair of steel structures, pipe, electrical, machinery, shafts, rudders, propulsion systems, hydraulics, hull and tank cleaning and inspection, paint removal, painting, as well as carpentry and other vessel system repairs

The facility includes two concrete dry docks and secure berthing:

Dry Dock 2: 741' x 98' x 38'-9"

Dry Dock 3: 680' x 90.5' x 44'-6"

Berth 12: 950 feet

Berth 13: 400 feet

Berth 14: 260 feet

Berth 13 and 14 can be utilized simultaneously to accommodate vessels up to 660 feet in length
